

PATENT

Attorney Docket No. 450128-04021.1

REMARKS

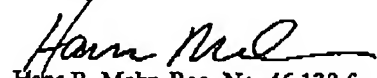

This preliminary amendment amends the claims as amended by the preliminary amendment filed with the continuation application on July 8, 2003. This preliminary amendment is submitted to round out the scope of protection to which Applicant is entitled. No new matter is presented in this preliminary amendment.

An early examination on the merits and allowance of this application are respectfully requested.

Respectfully submitted,

FROMMER LAWRENCE & HAUG LLP
